

Errata: System Studies of Anaerobic Co-digestion Processes - Eva Nordlander
 Figures in p.33 should look the figures below (the position of the lines have been corrected). The correct figures can also be found in the appended paper (Paper IV).

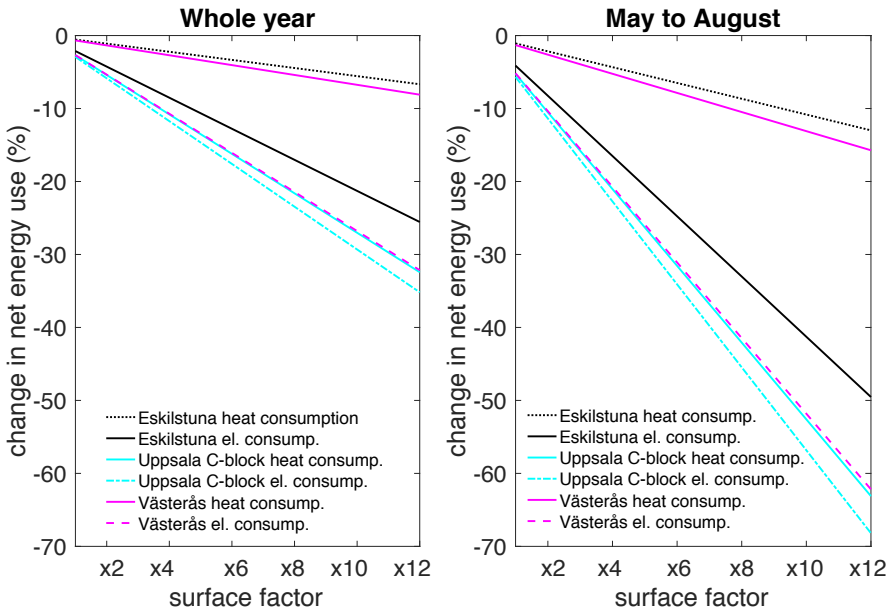

Figure 4.8. The effect on energy use in the WWTPs by changing the surface size of the microalgae-bacteria basin

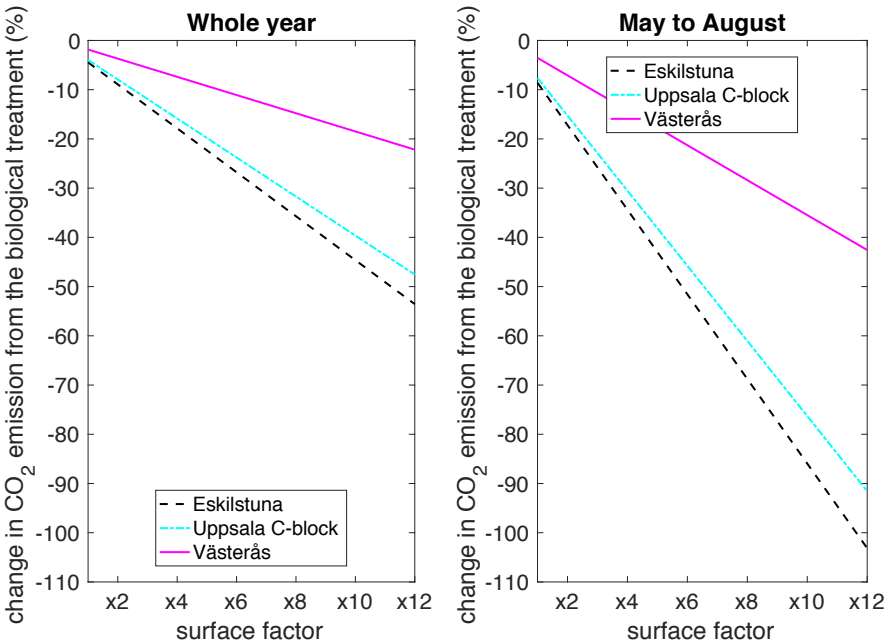

Figure 4.9. The effect on the carbon dioxide emissions in the WWTPs by changing the surface size of the microalgae-bacteria basin
